Athens, WV (WOAY) - After a tough weekend in the Northern Panhandle, Concord basketball returns to Mercer County Thursday for a doubleheader with UVa-Wise.

Both squads were encouraged by their performances at Wheeling Jesuit and West Liberty, and believe they can end the first rotation of conference opponents on a high against the Highland Cavaliers.

Concord will travel to West Virginia State on Saturday; the Mountain Lion men beat the Yellow Jackets earlier in the season for their only win so far in MEC play.
