Ghent, WV (WOAY) - The Ghent Area Vol. Fire Department hosted a state tournament party for the Shady Spring baseball team Tuesday evening. The event had everything from hot dogs and burgers, to corn horn, music and of course a bonfire. The Tigers are in the state tournament for the first time since 2006 and tonight was a chance for the players to see how much their community supports them on their state tournament run. Shady Spring will play Bridgeport Thursday, at Appalachian Power Park, in Charleston at 4:30.
