NASHVILLE, TN (WOAY) – Nothing says “Thank You” like an incredible breakfast and Shoney’s is going to prove it, as the iconic all-American restaurant brand will thank our nation’s veterans and troops with a FREE All You Care To Eat, Freshly Prepared Breakfast Bar when Veterans Day is being observed as a federal holiday: Monday, November 12, 2018, from open – 11 am.

“For more than 70 years, Shoney’s has been an American treasure and has always served as a ‘Welcome Home’ sign to America’s military,” said Mr. David Davoudpour, Shoney’s Chairman and CEO. “It’s our favorite day of the year as we get to honor our veterans and troops with a free All You Care To Eat, Freshly Prepared breakfast and thank those who protect our very freedom. Veterans and troops, on your special day, and every day, we salute you.”

With its famous All You Care To Eat, Freshly Prepared Breakfast Bar, Shoney’s will treat service members with freshly-prepared items, including scrambled eggs, bacon, sausage, biscuits, gravy, fresh fruit and other breakfast favorites.

“It’s the freshest breakfast on the planet proudly served to those who protect the greatest country on earth,” continued Mr. Davoudpour, “And it has been a guest favorite since day one.”

Shoney’s is also bringing back its popular Shoney’s® Bucks. Through December 31, guests who buy a

Always known for having best-in-class value, Shoney's was voted one of the best 8 family dining restaurants in the United States in the 2016 Consumer Picks Survey via Nation's Restaurant News, placing #6 overall. In the survey, Shoney's was recognized for having the best rating for value among all family dining chains and also scored well for its service, menu variety and diners being likely to recommend it.

Since acquiring the great American eatery in 2007, Mr. Davoudpour has been on a driven and spirited mission to reinvigorate and revitalize Shoney's, a family-friendly, southern-style restaurant brand. Shoney's is one of the first and has always been one of the most popular, family casual dining concepts in the United States.

In order to get back to what Mr. Davoudpour confidently calls Shoney's "Glory Days," the brand is now growing through franchising, following an extensive revitalization effort. Shoney's is offering franchising opportunities to qualified single and multi-unit candidates. For more information, visit <https://www.shoneys.com/franchise/>.
